Hoosier Kitchen Cabinets

For a single dollar right now, you can have "White Beauty" the famous Hoosier Cabinet, put into your home at \$2.50 less than even the low cash price fixed by the Hoosier Company; balance in small weekly dues of \$1.

You can search the whole world and find nothing that saves so much labor in your kitchen. All the old features that have made the Hoosier famous in 800,000 kitchens are retained, but the new features alone that are added, without extra cost to you, are equal in themselves to the entire convenience of the average kitchen cabinet.

Here are some Exclusive Hoosier Conveniences. They will save you, records show, millions of steps.

The Remarkable Flour Bin

You can judge the whole cabinet by the remarkable flour bin alone. This bin, all high-grade metal, is so smooth inside no flour can stick. Dust can't get in. The top is low—easy to fill. Entire top slides off for filling. The big sliding glass panel in front keeps contents visible—makes cleaning easy.

The new shaker sifter—a Hoosier patent—is a wonder. New principle entirely. Sifts flour through—doesn't grind it. Can't wear out. Can't grind grit through. Cleans the flour it sifts. Makes it fluffy and light.

Like the rest of the cabinet, every detail of this bin is perfected.

What Shall You Cook

Mrs. Christine Frederick's Food Guide answers this eternal problem. Simply turn the dial to meet you like a choice of simple menus is before you that balance perfectly with that meat.

Don't fail to see this forty other features—avenues of them now.

"White Beauty" Admitted in leading magazines

This may be your last chance to buy at this saving of \$2.50. Our allotment is strictly limited by The Hoosier Company. Price goes up again when these are sold. Come in right away and decide.

Helps Dodge Mercantile Co.

TO THE PUBLIC: We authorize this sale, limited to "White Beauty" Hoosier cabinets, at \$2.50 less than the fixed cash price of these cabinets, this week only. THE HOOSIER MFG. CO., New Castle, Ind.
